

HEXORDIA

JESSICA HYDE MEDIA KIT

2023

OUR MISSION

IS TO FIND TRUTH IN DATA. WE DO THIS THROUGH EDUCATION, RESEARCH, FORENSICS ANALYSIS, & SHARING RESOURCES WITH THE COMMUNITY.

HEXORDIA

Jessica Hyde

About Jessica

Jessica is the founder of Hexordia, Adjunct Professor at GMU, and Speaker. She's involved in community efforts including HTCIA, Marine Corps Cyber Auxiliary, DFIR Review, Cyber Sleuths Lab, SWGDE, OSAC, & FSI: Digital Investigations. Previous employment includes Magnet Forensics, Basis Technology, EY, American Systems, and a proud veteran of the Marine Corps.

About Hexordia

Hexordia provides Digital Forensics education, research, services, and reselling of forensic tools we support. Our education offerings include byte-size courses, virtual live classes, featured webinars and presentations, creation of Capture the Flag contests, in-person trainings and blogs. We aim to make digital forensics resources accessible to folks with limited budgets and time.

Listen & learn from Jessica Hyde as she shares her experience and knowledge of Digital Forensics.

- Fox News Podcast - Getting Schooled
- SANS DFIR Summits
- United States Secret Service (USSS) National Computer Forensics Institute (NCFI) - Keynote speaker
- Grayshift Full Access Podcast
- ArcPoint Forensics Unallocated Space
- Forensic Focus Podcast
- Network Task Force Phoenix Cast
